Domestic

Domestic Orange Peeler OPD-001

The easy and practical Pelamatic Orange peeler machine allows you to peel any type of fruit or vegetable quickly and easily, making the most of the food. It allows us to obtain fresh fruit ready for consumption, to maintain well-being and health in the family thanks to its comfortable handling.

Orange peeler has a safe and easy-to-use peeling system, its simplicity allows anyone to use it. By automatically performing its functions, it allows us to take advantage of our time doing other tasks while the fruit is being peeled.

General characteristics

- Speed, efficiency and simplicity.
- Start up at the push of a button.
